Re: 2008 General Business License Account #134667LGB for reporting period 01/01/2008

Mr. Bodiford

Per our phone conversation on Thursday, March 19<sup>th</sup> Silverton Bank is requesting a refund of \$53,864.83 paid to the City of Atlanta on September 25, 2008 for the above mentioned account. Silverton Bank moved to our current location, at 3284 Northside Pkwy, Atlanta, GA 30327, in mid-February of 2008. For the tax period in question, Silverton Bank was obligated to Cobb County for payment of its business license tax. As requested, I have attached copies of the PT-440 and payment made to Cobb County for the 2007 reporting period. Also included is a copy of the check to City of Atlanta for \$53,864.83.

Thank you for your assistance with this matter.

Sincerely

Corporate Accounting Manager

Effective for tax years due on or after March 1, 1997, Georgia Code Section 48-6-95(b)(1) provides that Georgia gross receipts for a financial institution conducting business both within and outside the State be determined using the apportionment factor prescribed under Georgia Code Section 48-7-31(d)(2)(C).

Georgia Code Section 48-7-31(d)(2)(C) states, in part, that the gross receipts factor is a fraction, the numerator of which is the total gross receipts from business within this State during the tax period and the denominator of which is the total gross receipts from business done everywhere for the tax period.

The gross receipts within Georgia and Everywhere should be calculated in the same manner as the gross receipts calculation used on the Georgia Corporate Income Tax Return (Form 600).
